NOTES: 笔记：

- neck is too tight, add 1' to neck circ 颈部太紧，在颈部周围添加 1'
- front is standing out from body, (see photo) I think is because the neck and bust is too tight , please advise how we can improve 前面从身体上突出，（见图）因为颈部和胸部太紧，请告诉我怎么改进
- bust feels too narrow add 1" 感觉胸围太窄加1"
- change snaps for self cover snaps 将按扣更换为自盖按扣
- should be 3 smaller snaps instead 2 应该是 3 个较小的按扣，而不是 2 个
- front and back armhole stick out too much from arm , to reduce front I thing we need to shift down front ss 1/2" and reduce back arm 1/2" at back shoulder seam 前后肩孔向外突出太多，为了减少前胸 I 我们需要将前胸 ss 下移 1/2" 并减少后肩缝处 1/2"
- make sure SS are not pulling edge hem , hem needs to be level 确保 SS 没有拉动边缘下摆，下摆需要水平
