STATUS: SUBMIT PPS DATE:03/04/26 ATENDENCE: OWEN, MONIKA, LAUREN MODEL: DILLI NOTES: - neck is too tight, add 1' to neck circ - front is standing out from body, (see photo) I think is because the neck and bust is too tight please advise how we can improve - bust feels too narrow add 1" - change snaps for self cover snaps - should be 3 smaller snaps instead 2 - front and back armhole stick out too much from arm , to reduce front I thing we need to shift down from ss 1/2" and reduce back arm 1/2" at back shoulder seam - make sure SS are not pulling edge hem , hem needs to be level
